Youth Programs

Homework Clubs

Resident children in grades 1-6 get help with homework and reading skills at Reedville and Montebello Apartments with the help of staff, dedicated volunteers from the community & high school students from Catlin Gabel School.

Explorador Camp

Children in grades 3-6 participated in a week of nature camp in August in partnership with the Audubon Society of Portland. Camp included field trips to Cannon Beach, Jackson Bottom Wetlands and more.

AKA Science Club

Science club meets for 8 weeks of hands-on activities to encourage interest in science and math and careers in health and engineering.

Summer Reading Safari

An 8 week summer reading program with the help of teacher and resident teen volunteers meant 90% of the children in grades 1-6 participating raised their reading level.

Art Classes

Art classes for children in grades 2-7 were offered this year at Reedville and Jose Arciga Apartments; plus special mural workshops at Sunset Gardens

Basketball Club

Basketball club began at Reedville Apartments this year for girls and boys in grades 3-5 to teach sports skills and promote physical fitness.
